Nimbus Construction

- A** A blendown back pillow that rests on a soft, foam-covered back rail. Adjustable for your personalized sit.
- B** A blendown arm bolster resting on a soft, foam-covered arm.
- C** A blendown seat topper wrapped around a thin layer of foam. Soft to the initial sit, yet providing support.
- D** The seating platform features a four inch layer of soft foam supported by our Goodside seating platform. A subtle sit with balanced support.
