2 CHOOSE YOUR SPRING CONSTRUCTION

To begin building your frame number, choose your spring construction:
(2) = Sinuous Wire Construction or (3) = Pocketed Coil Springs

FAIRFIELD
www.fairfieldchair.com
After selecting your frame and your seat construction, choose from one of four arm styles. Begin with the number “2 or 3” (from your frame) and add the Arm Style letter next. (2 or 3) (E, R, S, or T).

Note: English and Track Arms will have smaller dimensions than the other arm options. Alternate dimensions are listed in ( ) for these two arms.

Continue building your frame number by adding a Back Pillow Style. (2 or 3) (E, R, S, or T) (B, K, or P).

Complete your frame number by adding a Base Style (then add your suffix, see page on left). You should end up with a number as follows: (2 or 3) (E, R, S, or T) (B, K, or P), (B, S, or W) plus your frame suffix.

*Note: Skirted options not available in leather/vinyl.
