SEAT CUSHION: Tight Seat

HR-30 Dac cushions are constructed using the latest in soy-based chemical technology. Soy-based cushions are sustainable and renewable. HR-30 is a 2.5 pound per cubic foot density foam (POLY) with a 30 IFD (Indentation Force Deflection), with a .75 oz. Dacron topper. All Fairfield foam cushions meets CAL 117-2013.

SEAT SUPPORT: 8.5 gauge No-Sag™ "flat" sinuous springs attached with No-Sag™ squeak-proof clips. Flat spring construction provides firm support with little or no "crown" to the seat surface, preferred for Senior Living.

BACK CUSHION: Tight Back

Tight back cushions are constructed using the latest in soy-based chemical technology. Soy-based cushions are sustainable and renewable. Depending on the design and style the back cushions range from 1.0-1.5 pound per cubic foot density polyurethane with a 17-35 IFD (Indentation Force Deflection), with a .75 oz. Dacron topper. All Fairfield foam cushions meets CAL 117-2013

BACK SUPPORT: 11 Gauge No-Sag™ sinuous springs with "squeak-proof" clips covered with a poly-woven fiber to give proper shape and support.

FRAME: Solid kiln dried hardwoods and engineered laminated hardwood veneers. Solids are harvested from certified sustainable U.S. forest. Plywood is compliant with California A Resource Board (CAEB) 93120 phase 2, formaldehyde emissions requirements of the Airborne Toxic Control Measure (ATCM).

FRAME DESCRIPTION: Frames are handcrafted using the most trusted construction techniques that have been in practice for centuries. To insure frame integrity and compatibility with style and design requirements, frames are engineered to use a variety of joint construction. Triple dowel construction is standard. Many major stress joints feature both triple doweling, mortise and tenon and corner blocks that are attached with PVAC glue, staples and four screws. Frames are laboratory tested to BIFMA approved standards and have a weight capacity of 300 pounds per seat.

GLIDES: A selection of 12 glides are available as an option.

FINISH: No

UPHOLSTERY: Multi-fabric combinations available with welting. Nails available on base and out arms as an option.

WARRANTY: Fairfield warrants its merchandise to be free of defects in materials and workmanship for Five (5) years under normal single shift use and conditions to the original purchaser. See the price list for exceptions. Recliner mechanisms have a 2 year warranty. Textiles are covered under separate warranty by the textile supplier.

ADDITIONAL NOTES (S-7759-LR Nathan Lift Recliner): Requires 6" Wall Clearance.
